Dear Families,

I am writing to share some exciting news regarding our school's social media presence. We have decided to move away from the platform 'X' (formerly known as Twitter) and instead begin to use Instagram instead. The primary reason for our change is that many of parents have told us that they use Instagram on a regular basis, in comparison to Twitter, which many parents do not use.

The handle for our Instagram account is as follows:

**stphilipsrprimary**

If you search for this on Instagram then you can find us and follow us. The page looks like this:

It would be fantastic if you could follow our school account and encourage friends and family to do so as well. Just a polite reminder that children under the age of thirteen are below the minimum age to use Instagram so it is not appropriate for pupils to follow our account.

If you have any questions then please do get in touch,

Mr Cooper
