

Evidencing the Impact of the PE and Sport Premium Grant:
How well is the funding being used to improve the quality and breadth of PE provision, including increasing participation in PE and sport so that all pupils will adopt healthy life-styles and reach the performance levels they are capable of?

Amount of Grant Received: £18,900 (2019-2020)	Amount of Grant Spent: £18,900	Additional spend on PE and School Sport £3,208	Date: 8 th October 2019
--	-----------------------------------	---	------------------------------------

Statutory Information regarding Y6 competency in swimming
At the beginning of Y6 **75 %** of learners have been assessed as being able to: following:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations

Following an investment into an intensive programme for 12 children in the summer term, **100%** of Y6 children have reached the expected standard in swimming.

School Principles for PE and Sport Premium Grant Spend
St Philip's ensures that high quality Physical Education is provided for all pupils, so that they are inspired to succeed and excel in competitive sport and other physically demanding activities. Opportunities are provided for children to become physically confident in a way which supports their health and fitness and encourages pupils to lead healthy and active lives. Our school is committed to creating opportunities for pupils to compete in sport and other activities in order to encourage good character building and help to embed values such as fairness and respect.

The DFE is providing additional funding to primary schools across the UK to improve the physical education and sports provision. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.
